The foregoing shall not be deemed to prohibit the normal Remembrance Observants of any Bonafide Veteran's Organization or the placing of cut flowers or artificial flowers upon the graves, but in such cases, these shall be placed in a receptacle approved by the Town and sunk level with the ground. No more than two such receptacles shall be allowed for one grave. In Mabel Hill Cemetery, receptacles may be placed on continuous foundations where supplied.
- For the purpose of burial ceremonies only, artificial or natural flowers that are secured or bound with metal or wire are permitted on lots for a period of four (4) days.
- There shall not be more than one monument or marker permitted on each grave lot except where cremated remains are to be buried in an occupied grave with an existing monument or marker, whereas in such cases additional monuments or markers set at the head of the grave would be allowed providing all the monuments or markers together do not exceed the maximum width of 48" (inches) and maximum depth of 17" (inches), as specified for single monuments or markers. However, in cases where this is not possible, individual flat markers set at the head of the grave and at ground level would be allowed.
