

**FOR IMMEDIATE RELEASE**

**Water Treatment Plant Demolition - Update**

*Nipawin, Saskatchewan – September 21, 2020*

Demolition of the old Water Treatment Plant is scheduled to commence Tuesday, September 22, 2020 barring any unforeseen circumstances. Although the exact timeline for completion cannot be determined at this time, it is anticipated the work will take approximately two weeks to complete.

This work will include demolition and removal of the remaining Water Treatment Plant building, hauling fill material to the site as needed and leveling to final grade.

Residents are encouraged to be aware of signage, trucks, and heavy equipment at work in and around the site at the intersection of 6<sup>th</sup> St East and Shults Road.
