

TOWN OF NIPAWIN
WOODLAWN CEMETERY IMPROVEMENT PROGRAM

Please be notified that the Town of Nipawin will be undertaking an improvement program in Woodlawn Cemetery. Work will begin approximately the beginning of October and will consist of re-landscaping as follows:

- "Stand alone" monuments will be moved off the section and put back onto respective grave lots. In some cases, the Town will provide bases for monuments or markers if required.
- One piece concrete grave covers/markers: the marker portion will be saw cut off and saved (grave cover portion will be discarded)
- Flat markers on the heads of the covers will be removed and placed on Town-made concrete "pillows".
- The section will be re-landscaped and re-levelled to eliminate rubble, low spots, etc.
- The section will be re-seeded with grass.
