Town of Nipawin Supports the Provincial “Safer Communities and Neighbourhoods” Program

Nipawin, Saskatchewan – October 9, 2020

The Town of Nipawin is pleased to inform all residents of a little-known Saskatchewan Government public safety program that has existed since 2004. The program is available to everyone.

The Safer Communities and Neighbourhoods Program is a means of reporting illegal activities in your neighbourhoods. Any information provided by you to the program is confidential and you will not be involved in any investigative or court proceedings. A link to the program information is provided below.

- frequent late night activity;
- blackened windows or curtains always drawn;
- unfriendly people who appear to be secretive about their activities;
- people watching cars suspiciously as they drive by;
- heavy home security installations;
- strange odours coming from the building or garbage;
- garbage that contains an unusually large number of bottles or containers, especially chemical containers; and
- placing garbage in a neighbour's collection area.
